Dear shubam,

I hope this message finds you well.

After careful consideration, we regret to inform you that your employment with Nlink Tech Pvt Ltd will be terminated effective immediately. This decision is based on ongoing concerns regarding your performance, including repeated mistakes and a lack of adherence to our established work standards.

Despite previous discussions regarding your performance and efforts to support you in your role, we have not seen the necessary improvements. Specifically, we had a meeting where we outlined our concerns and provided you with a verbal warning regarding the need for improvement.

Please arrange to return any company property by today itself, and we will ensure that you receive your final paycheck and any remaining benefits as per company policy.

If you have any questions or need assistance during this transition, please feel free to reach out.

Thank you for your time with us, and we wish you the best in your future endeavors.

Best regards,
